Please use the following information to determine what level you'd like to enroll your child in:

Beginner: Develop safe pool behavior and adjust to entering and exiting the pool. Learn to float, kick and glide. Learn to put face in the water and develop rhythmic breathing while using paddle strokes with arms.

Level 1: Develop safe pool behavior and safety rules. Continue to develop alternating arm and leg action on their front. Learn to use alternating arms and legs on their back, rolling from front to back, treading water, and object retrieval from the bottom.

Level 2: Develop safe pool behavior and safety rules. Continue to develop unassisted front crawl, backstroke, rolling, and front/back glide. Learn to safely jump in from the side and repetitive bobbing.

Level 3: Develop safe pool behavior and safety rules. Continue stroke development with rotary breathing. Learn streamline and using techniques for safety purposes. Learn deep water skills such as performing surface diving techniques, survival float and back float.

Level 4: Develop safe pool behavior and safety rules. Continue stroke development while adding push offs, dives and open turns. Learn standing dives, breaststroke, and butterfly.

Level 5: Develop safe pool behavior and safety rules. Continue to develop skills for all four (4) strokes, and diving methods. Learn to perform flip turns.

PLEASE NOTE: Upon completion of the first lesson, we have the ability to move your child to a more appropriate level based on the skills demonstrated during that lesson. This allow for a more successful lesson for your child and to help develop stronger swimming skills.
